Well Fed Realtor, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. Looking for a way to boost your real estate marketing with good, old (somewhat chaotic) Twitter?Want to know how to turn all those tweets, retweets, favorites -- and often unstable users -- into tangible benefits to your real estate business. Interested in the secrets of a sucessful real estate marketing social media campaign that DOESN'T require you to work 12 hours a day.and take every ounce of mental energy you have?Well, worry not, ambitious real estate agent! Because in: Real Estate Marketing in the 21st Century Vol. 1 - Twitter Marketing for Realtors you'll learn, in this straight-shootin' of real estate marketing books, real estate marketing strategies that include: "The 'How to Make Money From Twitter' Blueprint" - When becoming a real estate agent it can be a challenge to know what you should and should not on a strategic level. This offers a simple step-by-step system you can use to turn all those tweets and retweets and followers into actual cash. "How to Create a Kick-Ass Twitter Profile" - This will get you up and runing, quickly, without fuss, primed for Twitter real estate awesomeness. "How to Get a Ton of Twitter Followers (FAST!)" - Here we'll show you some ninja tricks for boosting your Twitter tribe and making a real dent in your real estate marketing plan. (And most of it you can outsource to other people.) "Custom Apps (and Why They are your Best friend)" - I'll explain how Facebook royally tries to screw us over as marketers, and how custom apps can help you take back the power with focused little silos of content that are a perfect part of your real estate marketing plan. "The REAL Secret to Effective Twitter Real...
