

## The Little Book of Zombie Mathematics: 25 Zombie-Based Maths Problems (Paperback)

Filesize: 6.52 MB

### *Reviews*

*Basically no phrases to explain. It really is filled with knowledge and wisdom You are going to like how the author create this book.*  
(Gerald Conn)

**THE LITTLE BOOK OF ZOMBIE MATHEMATICS: 25 ZOMBIE-BASED MATHS PROBELMS (PAPERBACK)****DOWNLOAD**

Pictish Beast Publications, United Kingdom, 2015. Paperback. Condition: New. First. ed. Language: English. Brand new Book. The Little Book of Zombie Mathematics uses zombie-based scenarios to make maths more fun. It provides twenty-five thought-provoking post-apocalyptic scenarios which can be solved using everyday mathematics. It is aimed at both adults and older children, whether they are interested in maths, zombies or both. For each problem, multiple choice answers are provided for those who do not want to bother with the maths, and an explanation of how to work out the right answer is provided for those who are interested. Each problem has a MWZ (Maths with Zombies) score which can be added up by the reader to work out how well their maths skills will help them survive in the event of a zombie apocalypse. About The Author: Colin M. Drysdale is a scientist, author, and zombie fan. Writing The Little Book of Zombie Mathematics allowed him to bring these disparate interests together in a single volume. He lives in Glasgow in Scotland where he runs a small business teaching biologists how to make maps. From The Back Of The Book: Your machine gun can fire 57 bullets a minute. There are 200 zombies staggering towards you and they'll reach you in three and a half minutes. Do you have the fire power to kill them all before they get to you? Mathematics can be oh so dry and boring. All those numbers floating around; and then there are the letters: what on earth are they doing in there? Shouldn't they be in the English classroom helping people read? But wait, did you know you can do maths with zombies? That sounds more exciting, doesn't it? When maths becomes the key for surviving in a world where the dead hunt the...
